When we reach our sales goal for your show, you'll be able to receive every item you listed above just for hosting a PL show!

Following are three easy steps that will enable us to achieve our goal:

1.) Invite at least 30 people to the Show and ask each person to bring a guest (usually 50% of those invited cannot attend).

Invite friends, relatives, co-workers, neighbors, church members, and fellow club members. Be sure to mail me your guest list within three days, so I can send out invitations.

2.) If someone can't attend, be sure they see the Catalog so they can place an order with you. PL PRODUCTS make great gifts for all occasions.

3.) Have at least one booking* ready for me before your show to ensure you receive a 25% Hostess Credit with a \$200 Show. Each additional booking will give you an additional \$25 in buying credit or special Booking gifts.

That's all there is to it. Add a few simple refreshments and we'll have an enjoyable Show!

* Bookings must be a minimum of \$200 to qualify for the Booking Gifts or Buying Credit. The first booking must be held within 30 days, all other should be held within 60 days.
