

THANK YOU!

Dear

I want to thank you for the pleasure of presenting a Candle Party in your home. It was great fun and I enjoyed getting to know your family and friends.

Enclosed is a copy of your order. Your order totaled \$. Had you not been the hostess it would have been \$. That is a savings of \$!

Please note that all of your product may not arrive from UPS on the same day. Once you have received your entire order, you might find it helpful to separate the candles from accessories and fill each order one at a time. Finish by using the Candle Party bags that are provided in your shipment.

Due to the fact that I have only 60 days from the date your order is received to correct any problems please inspect every item! Let me know immediately if there are any damaged or missing items.

Remember; if you or any of your guests would like to place an order from the catalog at any time just give me a call!

Thank you again for being a Candle Party hostess! It has been a pleasure working with you and I would love the opportunity to work with you again in the future. If I can be of further assistance, please do not hesitate to call me.

Thank you,
