

WICK-tionary

Created by Jackie Whiteker with help from Renee and Candlefishy

This game is similar to Pictionary.
I use a medium sized whiteboard for guests to draw on.
They just hold it on their laps to draw.

Rules: 1 ticket for artist - 2 tickets for first one to guess right answer
Hostess is first artist - Everyone guesses - yell out those answers!
1 or 2 minute limit on guessing. Correct guesser is next artist
Can draw anything except words!

- **LIGHTING A CANDLE** (suggest using Scripto, etc.)
- **TRIMMING A WICK** (slow burn - doesn't curl - even burning - no soot)
- **SNUFFING A CANDLE** (to keep from splattering wax, and keeping wick centered)
- **HUGGING A 3-WICK** (to keep candle level and consume the whole candle - no well)
- **CLEANING CANDLES WITH PANTYHOSE** (to shine and clean)
- **CALLING TO INVITE FRIENDS TO A CANDLE PARTY**(Being a hostess is easy and fun!)
(Hostess program...)
- **SALT IN A BAG TO CLEAN FLORALS**(1/2 cup salt in brown bag - shake it up!)

- **RAINBOW** (represents all the colors we have to offer)
- **SUNGLASSES, TANNING LOTION, ETC.** (free vacations!)
- **SCHOOL HOUSE** (free training)

Play as many drawings as you think time allows. (Do demo throughout game.)
Make up your own ideas for drawings or use these.
Game Over - Have guests tear tickets in half - put 1/2 in basket for drawing.
Draw 1 or more tickets - depending on how many prizes
you want to give away. If small crowd, you can always draw 3 or 4 extra
times and let them steal prizes from one another!
